Flier for Collegiate Conference

- It should have been sent to Tri-M chapters
- **Each of us should email the person that we contacted, and remind them of the day and the fact that it's going to be at 1:00pm we will have a type of certificate for them to say thank you**
- **We are going to be at the collegiate zooms with the people that we found, we will do a small intro for them, and talk about what they will be presenting about, like a presider at a conference**
- **The zoom link for the conference is on the flier, and on the website**
- **Presentations should be slightly less than an hour, with time for a Q and A at the end, if the presentation is 45-50 minutes that works**
- **Austin will send a email format that we can send to our presenters with the information they need for the collegiate conference**
